REMARKS

Claims 1-4, 6, 13, 19, and 20 have been cancelled. Allowable claims 7, 14, 21, and 23 have been rewritten in independent form, and the dependencies of claims 8, 11, 16-18, and 24 have been changed to depend from the allowable claims. Accordingly, claims 7, 8, 11, 12, 14-18, and 21-24 are in condition for allowance.

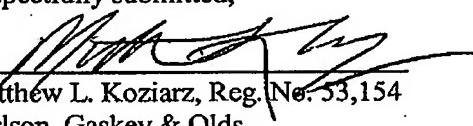

The final office action mailed on 16 February 2007 indicates that claims 7, 14, 15, and 21-23 would be allowable if rewritten to overcome the §112 rejections. The advisory action mailed on 2 May 2007 indicates that the §112 rejection is withdrawn. Therefore, claims 7, 14, 15, and 21-23 are allowable if rewritten in independent form to include all of the limitations of the base claim and any intervening claims. Claims 7, 14, 21, and 23 have been amended accordingly and are therefore in condition for allowance.

Additionally, claims 8 and 11 were amended to depend from allowable claim 7 and are therefore also in condition for allowance. Claims 16-18 were amended to depend from allowable claim 14 and are therefore also in condition for allowance. Claim 24 was amended to depend from allowable claim 14 and is therefore also in condition for allowance. Claims 12, 15, and 22 depend from allowable claims and are therefore also in condition for allowance.

With the cancellation of claims 1-4, 6, 13, 19, and 20 and the above amendments there are no remaining rejected claims, and the application is therefore in condition for allowance.

The Commissioner is authorized to charge fees in the amount of \$200.00 for one additional independent claim to Deposit Account No. 08-0835 in the name of Hamilton Sundstrand. Applicant believes that no additional fees are necessary, however, the Commissioner is authorized to charge the same account for any additional fees or credit the account for any overpayment.

Respectfully submitted,
